- Customers who proactively seek information about the Medical Equipment/Life Support Tag, via speaking to a live representative @ **1-800-Edison1**, can request a Medical Equipment Letter to be mailed to

them. The doctor is to then provide ComEd with the required documentation to verify if the customer is approved or denied for a Life Support Tag. Medical Equipment/Life Support. Tags do no prevent outages.

## Security concerns?

Customers can avoid being scammed by taking a few precautions:

- Never provide social security or personal information to anyone initiating contact with you claiming to be a ComEd representative or requesting you to send money to another person or entity other than ComEd.
- Always ask to see a company photo ID before allowing any utility worker into your home or business.
