**SCOPE:** The following permit information is applicable for any driveway light post.

**REQUIRED APPLICATION MATERIALS:**
- Permit Application Form (www.southbarrington.org, Government, under Building & Engineering)
- Two copies of site plans with lights located
- Two sets of light manufacturer’s cut sheets including type of wiring & burial depth
- Two copies of method of wiring and path of electric line from house to fixtures
- Copy of contract proposal
- Subdivision Architectural Approval Letter
- $100.00 Application Fee
- $ 50.00 Deposit on Plan Review Fee

**LOCATION CRITERIA:**
All improvements must be on private property behind the lot line.

**SEPTIC AREA PROTECTION:**
Absolutely no construction traffic, stockpiling of materials, etc. shall occur over any portion of the septic field areas.

**PERFORMANCE DEPOSIT:**
Performance deposits (cash or check) are required from both the General Contractor and the property owner at the time the permit is issued. In the event that damage occurs to village streets, easements, etc. from any construction or landscaping work or if spotted survey indicates project encroaches into a required setback, the deposit may be retained until the problem is resolved to the satisfaction of the Village Building Department. “Performance Deposit Request for Release” forms are available on line at www.southbarrington.org.
