RELOCATION OF WELL:

If well is being relocated, submit a site plan showing new location of well system and location of existing septic components.

FINAL DOCUMENTATION REQUIRED:

Contractor shall submit a copy of the well report and drilling log to the Village Engineer at the Village of South Barrington after the well has been completed.

PERFORMANCE BOND DEPOSIT REQUIRED:

A performance bond deposit (cash or check) is required from both the general contractor and property owner at the time the permit is issued. This money is held until the project is complete, the final inspection is approved and all final documentation is received by the Village Engineer. In the event that damage occurs to village streets, easements, etc. from any on-site construction, the deposit may be retained until the problem is resolved to the satisfaction of the Village Engineer. Return of the performance bond deposit money is initiated when a written request is received by the Building Department. “Request for Release of Performance Bond Deposit” forms are available on line at www.southbarrington.org.
