AGENDA ITEMS

1) Discussion ensued among the commissioners regarding amendments that should possibly be made to the existing zoning ordinance regarding Village Code 9-2 Trucks, Boats, and Recreational Vehicles. After a short conversation, an informal brain-storming session took place with members of the public at large. Different ideas and options were proposed over the spontaneous conversation that took place. A consensus was soon developed among the

committee members and the public in attendance on what the current code should be replaced with.

Chairman McCombie called for a motion to direct an ordinance to be written to include what was discussed and agreed to. The ordinance will then be sent to the Village Board to be referred back to the Plan Commission for a Public Hearing. Motion was made by Commissioner Abri, seconded by Commissioner Gillis. On a voice vote, the motion was approved unanimously.
