DRIVEWAY ELECTRIC LIGHT POST(S) PERMIT

SCOPE: The following permit information is applicable for any driveway light post(s).

REQUIRED APPLICATION MATERIALS:

- Permit Application Form (www.southbarrington.org, Government, Building & Engineering)
- Two (2) copies of site plans with lights located
- Two (2) sets of light manufacturer's cut sheets including type of wiring & burial depth
- Two (2) copies of method of wiring and path of electric line from house to fixtures
- Copy of contract proposal with estimated cost of construction
- Subdivision Architectural Approval Letter
- \$100.00 Application Fee (cash or check only)
- \$175.00 Deposit on Plan Review Fee (cash or check only)

Note: Additional Site Engineering Review Fee May Apply at Permit Issuance

LOCATION CRITERIA:

All improvements must be on private property behind the lot line.

SEPTIC AREA PROTECTION:

Absolutely no construction traffic, stockpiling of materials, etc. shall occur over any portion of the septic field areas.

PERFORMANCE BOND DEPOSIT:

Performance bond deposits (cash or check) are required from both the general contractor and the property owner at the time the permit is issued. In the event that damage occurs to village streets, easements, etc. from any construction or landscaping work or if spotted survey indicates project encroaches into a required setback, the deposit may be retained until the problem is resolved to the satisfaction of the Village Building Department. "Request for Release of Performance Bond Deposit" forms are available on line at www.southbarrington.org.
